## PHYSICS AND ASTRONOMY

# IMPORTANT REMINDER

1. Applications for the Global Round must be submitted through

<https://copernicusglobalround.us/>

2. The application deadline is December 15, 2024. Applications received after the deadline will only be considered if there are available seats.

3. Contestants who score 40% or higher are eligible to attend the event.

4. A non-refundable fee of \$150 per person is applied.

5. Each contestant may invite up to three guests.

6. Accommodation will be provided in double rooms. Families or groups of three should notify the organization if they wish to stay together, and arrangements will be made accordingly.

7. The organization will provide two meals per day: breakfast and either lunch or dinner, depending on what is easier to arrange. This will be communicated in advance.

8. The program is subject to change. Copernicus Olympiad reserves the right to modify the program. By applying, all participants agree to follow the updated program.

9. Copernicus Olympiad may use videos and photos from the event for promotional purposes. By applying, all participants consent to the use of their images for such purposes.
